

Till I die

I just got to call your phone, cause I don't want to be alone,
tonight, for life

Listening to a Legend song, and his words make me strong, make
me strong, make me strong

I just want to be with you, and I just wanna feel your love till I die
(Repeat 1x)

I imagine you and I going through that thing called life, together,
forever.

Love you till the end of time, our love is bound for higher life,
forever I'll treasure

I just want to be with you, and I just wanna feel your love till I die
(Repeat 1x)

I know that you are the man that I wish for. (Repeat 1x)

Let us make a promise now, never to allow, noone or nothing to
come between us.

I just wanna be with you, and I just wanna feel your love till I die

I just wanna be with you, and I just wanna feel your love till I die
