I need a man that can work my plans  
And not just hold my hand ( baby what what what what  
what what oh yeh)  
I need a man that can hold his own  
When a criminals in my home (baby what what what what  
what what, oh yeh)  
Oh yeh, oh yeh, oh yeh  
Cause its a jungle out hear  
Need a man that has no fear.  
Making this money on my own.  
I need a soldier for my home.  
Where the mens at

Where the mens at  
Oh yeh yeh yeh (repeat several times)
